Stephanie Cannon, R.T.(R)(M)(CT)(MR)

Stephanie has been in the field of Radiology for more than 25 years. She has worked in Radiology, Mammography, Computer Axial Technology, and Magnetic Resonance Imaging.

Registered in multiple specialties and having worked in the out-patient, in-patient and applications settings over my 25+ year career has given her a broad appreciation for radiology. She loves the challenge of obtaining the highest quality images while providing superb patient care. Stephanie has also been an application tech. at Invivo Corporation (a division of Philips Healthcare). Check out her web page <http://www.southernngg.com>. She has MRI lanyards and etc for sale.
